PREMIERED	July 2021
TIME SLOT	Saturday midnight
DURATION	30min
EPISODES	8 episodes

SYNOPSIS

A new game show, combination of Quiz Show with Who's the Werewolf!
Four players discuss the quiz given and get to one answer as a team. However, there is one werewolf called "X" among the four. "X" knows the answer to the quiz and deliberately tries to get the wrong answer.
A high-tactics psychological game between the three players and "X" begins!

RULE

- ▶ The quiz is given in three multiple choices.
- ▶ Four contestants discuss the quiz given within 15 minutes.

① Contestants first answer by first impressions and show to the team

② Discuss and decide one answer as a team

If the answer is correct...

Players WIN

If the answer is incorrect...

“X” WIN

- ▶ There are three stages in total; if two or more are incorrect, Black wins; if two or more are correct, other three players win. Contestants discuss both quiz and their thought on who the X is.

PENALTY GAME

- ▶ The “Players” or “X” whichever is lost goes up the stairs behind their seat leading to the Punishment Room

Pitfall

Strong wind

Electric shock
