*A touching love
story of a young
couple,
tossed about by
the mysterious
fate of
rejuvenation—*

Main Characters

YUKO (35)

Newscaster who used to be popular working at a TV station, but after going independent and as she got older, suffering from a decrease in work.

While her friends and colleagues gets married and have babies, she is starting to **questions herself whether she is living the life she should live.**

SATORU (25)

Chef apprentice at the Italian restaurant, who has an incredible sense of taste, dreams to open his own restaurant at his parent's house which is currently on sale.

He has poor eyesight since he was little, which made him to be **shy and low self-esteem, but is straightforward.**

Storyline

Yuko and her boyfriend Satoru had been living quiet but happy life together.

One day, miscarriage by her myoma, left Yuko unable to have children.

Shocked, Yuko takes a "rejuvenation drug" given to her by a mysterious girl.

From then on, **Yuko's body never stops rejuvenating-**

The Rejuvenation Drug and its Side Effect

The drug is made from Immortal Jellyfish which rejuvenates itself by adjusting functions of Telomere, a part of DNA.

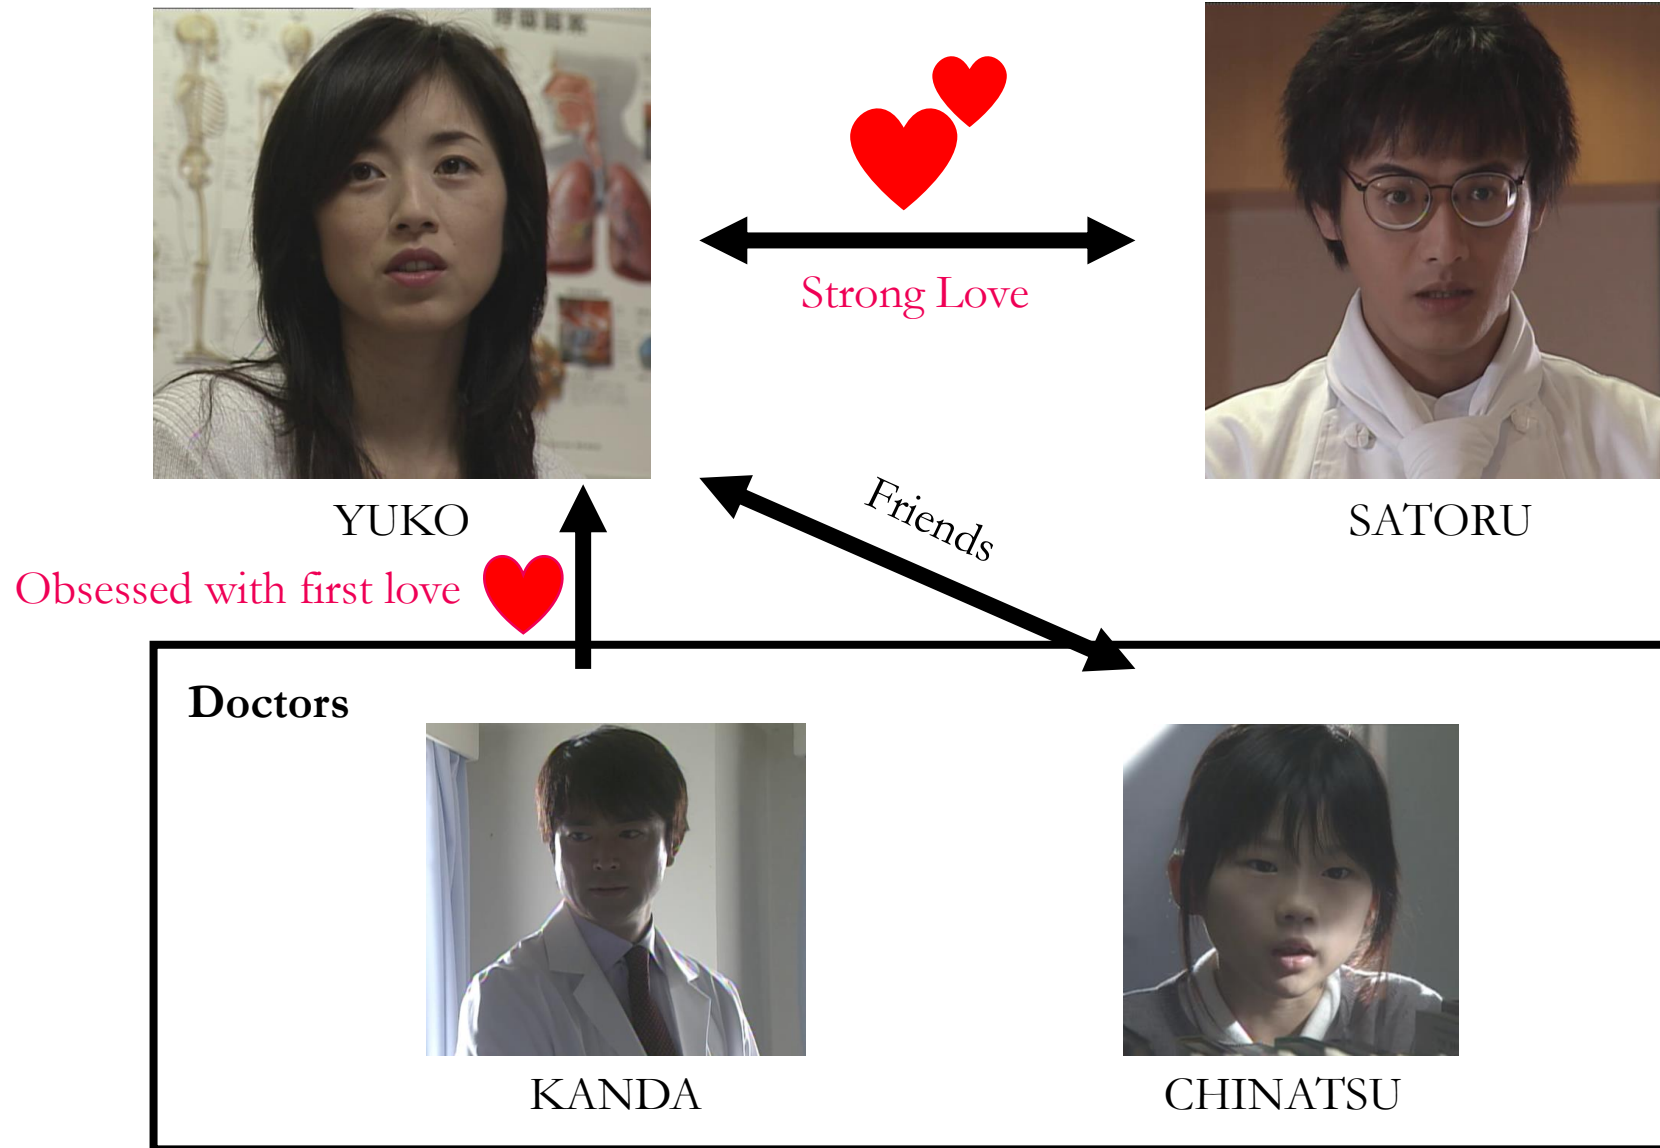

The drug adjust Telomere by reacting to the feeling of love or happiness.

The rejuvenation progress when one feel love or happiness.

YUKO and SATORU needs to choose: to live together the last 14 months with love, or to be separated and live longer

The Relationships

*What will be your
choice? –*

*To live together the
last 14 months, or
to be separated and
live longer*
